

Citation

Dr. Kavitha Raja

It is a pleasure for the Rajiv Gandhi University of Health Sciences, Karnataka to honour on the occasion of National Teachers' Day for the year 2019, Dr. Kavitha Raja in the faculty of Physiotherapy.

Dr. Kavitha Raja is a committed clinician and passionate teacher. She is remarkable for the all-round achievements and contributions in the field of physiotherapy.

She has an extensive source of trainings, with Physiotherapy from Tamil Nadu Board, and Rehabilitation from SNDT Mumbai, Masters in Orthopaedic PT from Texas Women's University, US, and has completed Doctorate in the area of Cerebral Palsy from Manipal University. She also has a PG Dip in Medico Legal Ethics from the NLSIU, Bengaluru. She has also obtained specialisations from Rehabilitation and Engineering Society of North America, and Board of Certification of Proficiency in Ergonomics, USA.

Having nearly three decades years of professorial experience in various cadres of teaching spanning across international institutions, she has taught physiotherapy students at various level – undergraduate, postgraduate and doctoral levels. She is also actively engaged in organising and presenting continuing professional development programs for the practitioners of physiotherapy.

She has been active in promoting research in rehabilitation and physiotherapy, with funding from prestigious scientific bodies. She has presented her studies in various national and international seminars, and published papers in journals of high repute.

She has been nominated to various academic bodies by different universities of India. She has contributed for the curriculum design of BPT and MPT Courses in RGUHS. She was the Indian expert in developing core competencies in International Association for Study of Pain. She has been the scientific advisor and quality control resource person for Wellness-One Rehabilitation Centre, Kozhokode.

The contributions of Dr. Kavitha Raja will be appreciated by the coming generations of not only the healthcare practitioners, but the entire population that benefits from the pragmatic reforms that she can generate for the future of healthcare in this country.

Rajiv Gandhi University of Health Sciences, in recognition of her contribution towards the promotion of health science education takes pleasure in honouring Dr. Kavitha Raja as an Eminent Teacher on the occasion of Teachers' Day Celebrations – 2019 organised by the University on 25th September 2019.
