

Department of cardiopulmonary 22-23
Time table (Pg schedule) 1st – 7th May 2023

SL.NO	7-9	10 -1.00	2-3	3-4	4-5	5-7
Monday 1.5.2023	Holiday - ICU round morning and evening					
Tuesday 2.5.2023	Morning ICU	Patient care + documentation Pg posted for afternoon ICU will start rounds at 11.30am – 1.30	Library/physiopedia course / Seminar or ug class preparation Physiopedia course	Didactic (pg) ABG analysis ABG sheet reading Shradha /Tejaswini SN		
Wednesday 3.5.2023	Morning ICU		Didactic Strategies for following Emerging Evidence (EBP), ClinicalPractice Guidelines and Clinical pathways Uma	Seminar Exercise prescription / Exercise planning ICU/Out patient Ashwin / Subhendu		
Thursday 4.5.2023		10-11 case conference	Library/physiopedia course / Seminar or ug class preparation	Practicals- Anthropometric measurements – Renuka / teju		

Friday 5.5.2023		ICU round morning and evening - Subhendu	Didactic Strategies for following Emerging Evidence (EBP), Clinical Practice Guidelines and Clinical pathways- Contd.. Uma	Didactic (pg) Coping strategies – theory Practical demo Prathab / M Renukadevi	
Saturday 6.5.2023		Supervised practical's 10-12 noon Vocal/tactile Fremitus, Percussion, Auscultation, Chest expansion, Diaphragmatic excursion(Inch tape) Renuka / Ashwin			
Sunday 07.05.23		ICU round morning and evening			Holiday

8th – 14th May 2023

SL.NO	7-9	9.30 -.1.00	2-3	3-4	4-5	5-7
Monday 8.05.2023	Morning ICU	Patient care + documentation Pg posted for afternoon ICU will start rounds at 11.30am – 1.30	Didactic Best Practices in Research Dissemination Uma	Library/physiopedia course / Seminar or ug class preparation Physiopedia course		
Tuesday 9.05.2023	„		Library/physiopedia course / Seminar or ug class preparation Physiopedia course	Didactic Oxygen therapy – Theory Demo – flow systems Tejaswini		
Wednesday 10.05.2023	„	Case discussion Sudhendu All pgs have to attend	Didactic Writing a Manuscript for Publication Uma	Practicals- Anthropometric measurements Renuka / teju		
Thursday 11.05.2023	„	10-11 case conference	Synopsis test – Dr Kavitha Raja			
Friday 12.05.2023	„		Didactic Designing qualitative studies & Fundamentals of Qualitative Research Methods	Didactic PFT – Theory & Demo Dr. M. Renukadevi		

			Sandeep PH	
Saturday 13.05.2023	„	Supervised practical's Postural drainage Prathab		
14.05.2023 Sunday		ICU round morning and evening		

15th – 21nd May 2023

SL.NO	7-9	9.30 -.1.00	2-3	3-4	4-5	5-7
Monday 15.05.2023	Morning ICU	Patient care + documentation Pg posted for afternoon ICU will start rounds at 11.30am – 1.30	Didactic Designing Questionnaires, Interviews, and OnlineSurveys Sandeep PH	Library/physiopedia course / Seminar or ug class preparation Physiopedia course		Evening ICU
Tuesday 16.5.2023	„		Library/phy siopedia course / Seminar or ug class preparation	Didactic (Pg) Cardiovascular / pulmonary investigations Aswin/Tejaswini SN		

			Physiopedia course		
Wednesday 17.05.2023	„	Case presentation .– ICU (RICU, MICU,ICCU,CCU) case Ashwin	Didactic Data synthesis in qualitative design Sandeep PH	How to do a journal presentation Dr . Renukadevi / Tejaswini SN	
Thursday 18.05.2023	„	Case conference	Library/physiopedia course / Seminar or ug class preparation Physiopedia course		
Friday 19.05.2023	„		Library/physiopedia course / Seminar or ug class preparation Physiopedia course	Didactic (Pg) X ray – Theory Practicals – X ray reading Subhendu /M Renukadevi	
Saturday 20.05.2023	„	Supervised practical's Breathing exercise – DB, SE, PLB, GB, IS Shradha / M. Renukadevi			
Sunday 21.05.2023		ICU round morning and evening			

22th – 28th May 2023

SL.NO	7-9	9.00 -.1.00	2-3	3-4	4-5	5-7
Monday 22.05.2023	Morning ICU		Library/physiopedia course / Seminar or ug class preparation Physiopedia course			Evening ICU
Tuesday 23.05.2023	„	„	Didactic Exercise tolerance test – Lab and field test Tejaswini SN			
Wednesday 24.05.2023		Case discussion Shradha All pgs have to attend	Library/physiopedia course / Seminar or ug class preparation Physiopedia course			
Thursday 25.05.2023	„	Case conference	Library/physiopedia course / Seminar or ug class preparation Physiopedia course			
Fri4ay 26.05.2023	„	„	Library/physiopedi a course / Seminar or ug class preparation Physiopedia course	Didactics Suctioning & Manual hyperinflation - Theory & Demo Dr. Renukadevi		
Saturday 27.05.2023	„	Supervised practical's BHT – Manual methods				

		Subhendu /Tejaswini SN	
Sunday			

29th -31st may 2023

SL.NO	7-9	10 -.1.00	2-3	3-4	4-5	5-7
Monday 29.5.2023	Morning ICU	Patient care + documentation Pg posted for afternoon ICU will start rounds at 11.30am – 1.30	Library	Library/physiopedia course / Seminar or ug class preparation Physiopedia course		Holiday
Tuesday 30.5.2023	Morning ICU		Strategies for following Emerging Evidence (EBP), ClinicalPractice Guidelines and Clinical pathways Uma	Didactic (Pg) Drug therapy Bronchodilator Mucolytics Drugs for breathlessness./ Pulmonary hypertension Cardiovascular drugs Prathab/ Tejaswini SN		
Wednesday 31.5.2023		Case presentation Prathab All pgs have to attend	Journal club Aswin
