PMR

Principal asked that she needs medical officer appointed for PMR Inpatients

As per the discussion the medical officer visited the patient in PMR on call, as the response is bad, and as the response is bad and as these patients need immediate attention she insisted that full time medical officer is needed (regularly once day rounds)

M S said, the duty doctor will be posted on duty on rotation basis.

Dr. Basavangowdappa sir asked Principal to send the PPT of the PMR Department, so that he will try to insist all the departments to go through the PPT.

Action Taken: Administrative changes proposed: pay revision and promotion policy to be initiated

Resolution: Sri Mahesh R assured it will be rectified shortly.

New initiatives:

1. Physiotherapy services are extended to the Nephrology department at the dialysis. Patients attending the dialysis are evaluated and rehabilitated. The patient care is provided bedside in dialysis unit and in the OPD.

2. Proposal to start “home physiotherapy care” has been submitted. Patients discharged from the hospital will be provided a continued care at home.
3. “Discharge Intimation” is generated in the Hospital Information System; this will help in referring patients to OPD, PMR or home care after counselling during discharge.

Discussion is held to start evening clinic for the clients from ‘BARC’ – Bhaba atomic research centre. Follow up and plans on starting services are planned and will function on discussion with the hospital authorities.

Mr. Vijay Department co-coordinator presented about the growth of Department by increase in patients visiting OPT through numbers and graphical representation.
