

National Multidisciplinary conference on cerebral palsy

(March 21st –March 23rd 2019)

Call for full papers

This meeting is expected to improve your understanding and awareness of current best practices in the management of persons with cerebral palsy (CP) in India. On this multidisciplinary platform you will hear from experts in the field and be able to classify, set goals, refer appropriately and manage your clients with CP. This conference will also lead in an ICMR-DHR project “development of treatment guidelines for people with cerebral palsy”

We will conduct paper and poster presentation and consensus meeting
