

**JSS COLLEGE OF PHYSIOTHERPY
STAFF MENTORSHIP PROGRAMME-2015**

A mentor is supposed to find out specific issues the students have with academics. Give them tutorials, reading and writing assignments and in other ways make them competent PT students. All meetings **MUST** be held in the college premises. Do not fraternise with students in the name of mentoring in your homes. The mentors report will be given to the parents at every meeting. Please meet with your students the first time by Jan 10th and thereafter every week. Mentors please share relevant information with class coordinators and subject teachers.
